INTRODUCTION

This report is to be used as a guide to assist the user in getting familiar with designing a webpage using HTML.

Many helpful links are provided throughout the report and it is recommended that the user has a stable internet connection while running this project. The title of this project is “SCHOOL WEBSITE”. This report is for describing the webpage of “school website” and the main objective is that how the webpage is designed by using the languages like HTML, CSS.

TECHNOLOGY BUCKET

3.1 DESCRIPTION OF HTML:

- A) The `<!DOCTYPE html>` declaration defines this document to be HTML.
- B) The `<html>` tag encloses the complete html file and contains the header i.e.
`<head>.... </head>` tag and the body tag i.e. `<body>.... </body>`.
- C) The `<head>` tag contains the header of the file and also contains the `<title>...`
`</title>` tag and the `<style>... </style>` tag of css.
- D) The `<title>` tag contains the title of the html file which shows in the header of the browser.
- E) The `<body>` tag contains all the contents of an html document such as headings, paragraphs, images, hyperlinks, tables, lists etc.
- F) The `<h1>` tag in html indicates a heading on a website. Html has six different heading tags – h1, h2, h3, h4, h5, h6.
- G) The `<div>` tag in html defines a division or a section in an html document.
- H) The `<form>` tag is used to create an html form for user input.
- I) The `<input>` tag is used to create interactive controls for web based forms in order to accept data from the user.
- J) The `<button>` tag is used to create a clickable button within html form on your webpage.

TECHNOLOGY BUCKET

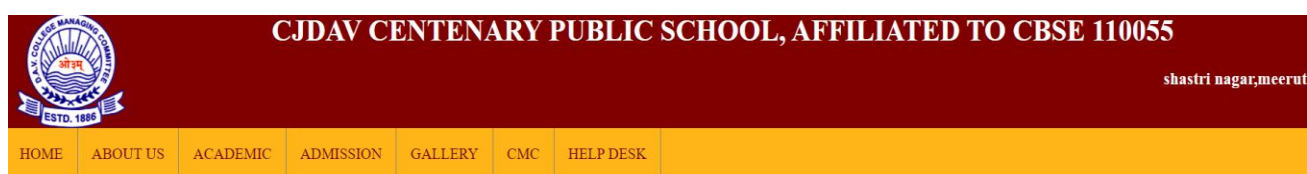

3.1 DESCRIPTION OF CSS

- A) The CSS is used for describing the presentation of a document written in a markup language like html.
- B) The background-image property is used for set the image in the background. Syntax: `body {background-image: url ('file name');}`
- C) In the CSS, a class selector is a name preceded by a full stop (".") and an ID selector is a name preceded by a hash character ("#").
- D) ID is used to identify one element and class is used to identify more than one element.
- E) Margin and padding are the two most commonly used properties for spacing out elements. Margin is the space outside something and padding is the space inside something.
- F) The: hover selector is used to change the style of a button when you move mouse over them.
- G) The border radius property defines the radius of the element's corners. This property allows you to add rounded corners to elements.

FOR THE KIND ATTENTION OF PARENTS

- Education is not synonymous with academics. In order to develop the all round personality of every child, the school attaches a lot of importance to the extra – curricular activities. It is mandatory for all the students to participate in the activities at all possible levels. Parents are requested to encourage their ward in this regard.
- Attendance and uniform are the two areas where the school is very strict. Late comers and uniform defaulters will be sent back home.
- Parents must pay the school fees in time to avoid any inconvenience. Students with fees in arrears will not be allowed to appear in examination.
- Attendance of the parents at PTM is mandatory. Parents who fail to attend PTM will be doing so at the risk of their wards performance and therefore promotion prospects.
- In PTM, parents are requested to bring the school diary of their ward to discuss about their progress in academics and co- curricular activities
- Constructive suggestions from the parents are always welcome.

of Arya Samaj. Much that had crept in out of ignorance was gradually weeded out. To accomplish the most cherished goal of the Swami, Dayanand Anglo Vedic Trust and Management Society was established in 1885. The First DAV institution both for school stage and higher learning was established at Lahore in 1886. Since then, the DAV movement has never looked back and runs nearly 770 institutions today in India and abroad. Under the inspiring guidance of our honourable president Shri Punam Suri ji DAV organization has today a nation wide network of nearly 770 educational institutions. Shri Punam Suri ji is a great visionary who believes that education is the only gateway to human development shaping the mind to adventure into the freedom of future. Tossing in the global waves, challenges for the youth are manifold and pressures on young minds are nerve-wrecking. But by providing a holistic education in pleasant & congenial environment, DAV prepares them for these challenges of life in a global society.

<h2 style="background-color:olivedrab;color: white; text-align:center;">FOR
THE KIND ATTENTION OF PARENTS</h2>
<ul>
    <li>Education is not synonymous with academics. In order to develop the
all round personality of every child, the school attaches a lot of importance
to the extra – curricular activities. It is mandatory for all the students to
participate in the activities at all possible levels. Parents are requested to
encourage their ward in this regard.</li>
    <li>Attendance and uniform are the two areas where the school is very
strict. Late comers and uniform defaulters will be sent back home.</li>
    <li>Parents must pay the school fees in time to avoid any inconvenience.
Students with fees in arrears will not be allowed to appear in
examination.</li>
    <li>Attendance of the parents at PTM is mandatory. Parents who fail to
attend PTM will be doing so at the risk of their wards performance and
therefore promotion prospects.</li>
    <li>In PTM, parents are requested to bring the school diary of their ward
to discuss about their progress in academics and co- curricular
activities</li>
    <li>Constructive suggestions from the parents are always welcome.</li>

<p>DAV College Managing Committee (DAVCMC) is the largest non-governmental organisation in the field of education in India today. It has a glorious past steeped in the history of India, our great nation. DAV College Managing Committee has contributed to nation-building by pioneering private initiative in education. In our more than 135 years long career span, DAV students have emerged as leaders in their chosen fields as Nobel laureates, Prime Ministers, Scientists, Sports persons, Defense personnel, Actors, Media persons, CEOs, etc., thus, making meaningful contributions to the economic and social development of India.

DAVCMC runs and manages over 900 educational institutions comprising of public schools, grants-in-aid schools, colleges, institutes of professional education and research institutions. Trusted by both, Public as well as Private sectors, DAVCMC manages over hundred Project and Semi-project Schools for blue-chip corporate houses, such as ACC, Tata, Reliance, Adani and Public Sector Corporations such as BHEL, GAIL, SECL etc. DAVCMC discharges its social responsibility by running ashrams and orphanages for the underprivileged and destitute children and women.

The organisation is managed by a galaxy of luminaries from diverse fields who are committed to the philosophy of Arya Samaj and ideals of Swami Dayanand Saraswati. The DAV institutions are spread all over the length and breadth of India with DAV presence in almost all states catering to a wide range of clients from the urban elite to the rural Indian. DAV's commitment to quality education ensures highly qualified and skilled work force and state-of-art infrastructure in the educational institutions managed by it.</p>
